Pascal's triangle colouring sheet - 3 colours

Choose a colour for each column in this chart, and colour it in, add more rows if you need to

		multiples of 3, meaning in the 3 × tables
1	2	3
4	5	6
7	8	9
10	11	12
13	14	15
16	17	18

In this triangle, each number is the sum of two above it. Complete the triangle, and colour each diamond following the chart on the left
